

PHSC 1000, Professor David Black  
Three-quarter Term Stuff Instructions

I have some clarification to give for the 3/4-term test. Some people had some questions, which I'll attempt to answer here. If you have other questions, please send them to me as a Canvas message, as I'm a little behind with email and with the texts.

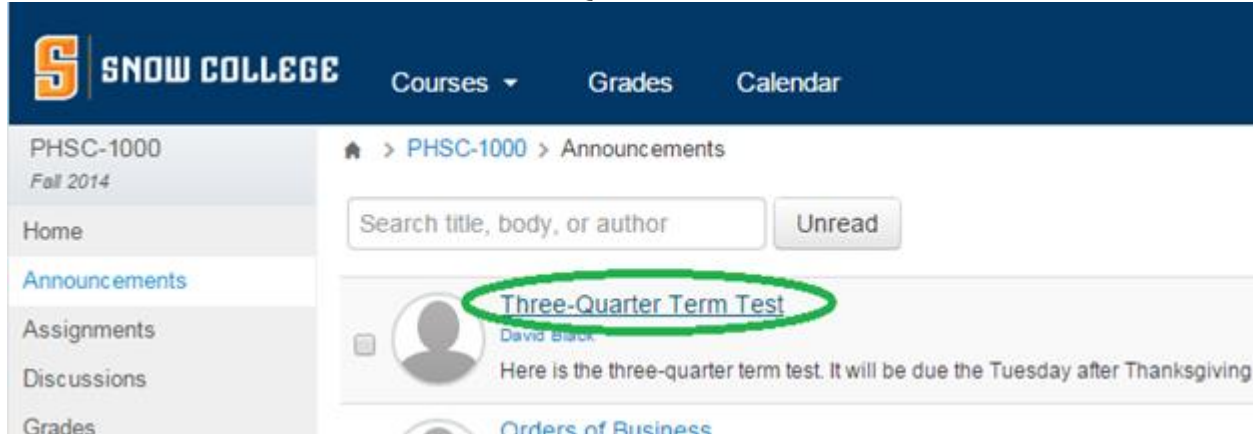

Most of the questions were how to find the test and how to turn it in. Get onto Canvas, hover over "Courses" and click on "PHSC 1000".

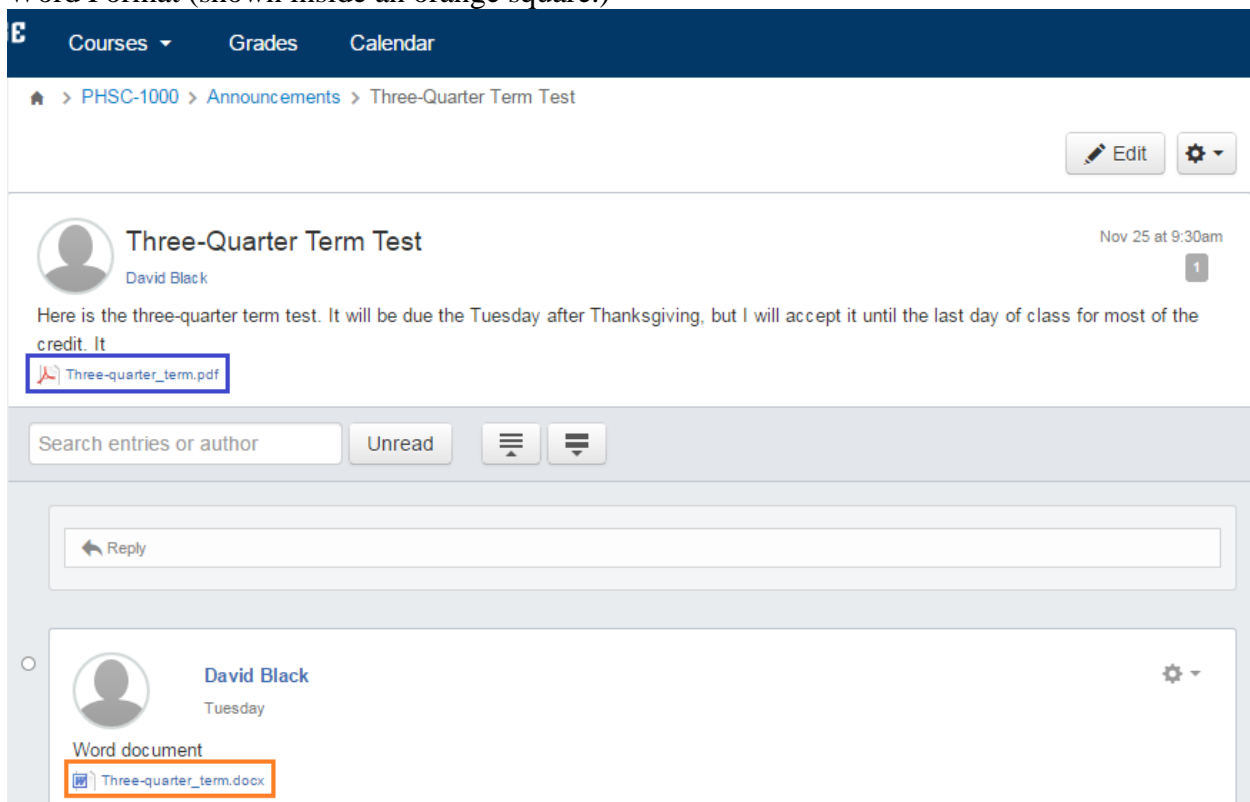

Click on "Announcements" from the menu on the left

One of the announcements is called “Three-Quarter Term Test.” Go ahead and click on it.

From here, you should be able to choose either the PDF (shown inside a blue square) or the Word Format (shown inside an orange square.)

What will probably be best for me is if you fill it out with a pen or pencil and either scan and attach it to a Canvas message, have your facilitator fax it in (Fax # 435-283-7087), or just hand it to me.

If you're able to fill in the exam using the Word document in such a way that the format isn't completely ruined, go ahead and do so. After that, send me back a new Word document with the name, Three-quarter\_term\_<your\_name>.docx , e.g. Three-quarter\_term\_Professor\_Black.docx .

Now, if you're someone who's been trying to find the test and are only finding it now, please don't stay up all night. Send me a Canvas message letting me know, and I'll let you turn it in on Thursday.

I hope this helps,  
Professor Black
